

1.

The screenshot shows a configuration window for a security system. It has a light blue background and a dark blue footer. The window is divided into several sections:

- Top Section:** Contains fields for "ID" (386), "TCP порт (UPS-SCS)" (8888), and buttons for "Транспорт ..." and "Принтер ...".
- Left Section:** Contains a dropdown menu for "Объект охраны 1" (ATM-Интеллект Про 1), a "Номер" field, and a "Хранить архив (дней)" field. Below these is a large empty box for "Камеры ...".
- Right Section:** Contains a "Титры" section with a "Время показа (сек.):" dropdown (10) and a list of checkboxes: "Дата и время", "Сумма", "Номер банкомата", "Номер карты", "Состояние карты", and "Маскировать".
- Bottom Section:** Contains a "Датчики" section with "Добавить ...", "Изменить ...", and "Удалить" buttons. To the right is a "Регистрация" section with the text "Нет связи".

Numbered callouts are present:

- 1:** Points to the "Время показа (сек.):" dropdown.
- 2:** Points to the list of checkboxes in the "Титры" section.
- 3:** Points to the "Применить" button in the footer.
